# HOPSMITH

## IMPERIAL IPA

Style: Imperial IPA

ABV: 9.1% IBUs: 83

Hopsmith is a robust and unapologetically hop-forward brew. The healthy delivery of its clean bittering hops against its soft malt canvas and just the right amount of body are accented by a tropical citrus aroma and a hint of pine while flaked barley smooths the transition towards its silky dry finish.

### Sensory Description:

Robust, slightly caramel malt backbone, more than balanced by a healthy dosage of clean and mild bittering hops and a fragrant, tropical citrus aroma with a hint of pine. Medium reddish copper color.

### Suggested Food Pairings:

salted ham, sweet BBQ, sharp cheddar or a strong blue cheese, salted caramel dessert

AVAILABILITY: Winter/Spring Seasonal
