Shot Tower

Espresso Stout

Style: Coffee Oatmeal Stout

ABV: 6.5% IBUs: 28

With a cold-pressed proprietary blend of fresh ground beans from our friends at Verena Street Coffee Co., we've crafted a wholly original espresso stout that is both rich in coffee tones and eminently drinkable. Its pleasant espresso aroma leads to rich coffee flavors mixed with notes of roasted malt and a hint of chocolate, all topped off with a generous mocha head.

Sensory Description:

Drinkable medium bodied stout with a silky mouthfeel and slightly creamy sweetness. Its pleasant espresso aroma leads to rich coffee flavors mixed with notes of roasted malt and hint of chocolate, all topped off with a generous mocha head.
