### BREWER'S INNOVATION BATCH

**BATCH #1 – IPA W/CITRA HOPS**

ABV: 4.5% IBU: 27

Limited Release Draft – 1/4 BBLs

Our brewing team took one of our experimental IPA recipes and added extra Citra hops as a late dry hop addition to bring out a tantalizing citrus aroma and create a refreshing and easy drinking IPA. Robust hop flavor and aroma of melon, grapefruit, lemon and lime. Low body and mouthfeel. Pleasant, but not lingering tropical fruit aftertaste. Light golden color with a frothy white head.
