### BREWER'S INNOVATION BATCH

**BATCH #2 – IPA W/CITRA, MOSAIC & EL DORADO HOPS**

ABV: 4.5 % IBU: 27

Limited Release Draft – 1/4 BBLs

Batch #2 is an experimental IPA dry-hopped Citra, Mosaic & El Dorado hops. Huge amount of hop flavor and aroma and slightly more robust flavor of melon and grapefruit and slightly less lemon and lime than our Brewer's Innovation Batch #1, it's Citra only dry-hopped counterpart. Low body and mouthfeel. Golden color and nice white head, simply refreshing for those hop cravings.
